DAY has come new finish ally means---FINISH

THE INITIAL Beauty of "DUCO" never needs renewing. Its satiny smoothness and rich color tones fear neither the elements nor the hard usage which Automobiles encounter.

Lacquer is a thoroughbred finish. Quite naturally, it never sacrifices its Smart, Well-groomed Appearance.

We have the most Modern Plant and Highly-skilled Specialists at our new Factory, situated at 30 Dorcas St., South Melbourne, close to St. Kilda Rd. We can finish and hand over your car in from one to three days. Cars Re-Ducoed in 24 hours.
